45:11-23 Definitions .

1. As used in this act:
 - a. The words "the board" mean the New Jersey Board of Nursing created by this act.
 - b. The practice of nursing as a registered professional nurse is defined as diagnosing and treating human responses to actual or potential physical and emotional health problems, through such services as casefinding, health teaching, health counseling, and provision of care supportive to or restorative of life and well-being, and executing medical regimens as prescribed by a licensed or otherwise legally authorized physician or dentist. Diagnosing in the context of nursing practice means the identification of and discrimination between physical and psychosocial signs and symptoms essential to effective execution and management of the nursing regimen within the scope of practice of the registered professional nurse. Such diagnostic privilege is distinct from a medical diagnosis. Treating means selection and performance of those therapeutic measures essential to the effective management and execution of the nursing regimen. Human responses means those signs, symptoms, and processes which denote the individual's health need or reaction to an actual or potential health problem.

The practice of nursing as a licensed practical nurse is defined as performing tasks and responsibilities within the framework of casefinding; reinforcing the patient and family teaching program through health teaching, health counseling and provision of supportive and restorative care, under the direction of a registered nurse or licensed or otherwise legally authorized physician or dentist.

The terms "nursing," "professional nursing," and "practical nursing" as used in this act shall not be construed to include nursing by students enrolled in a school of nursing accredited or approved by the board performed in the prescribed course of study and training, nor nursing performed in hospitals, institutions and agencies approved by the board for this purpose by graduates of such schools pending the results of the first licensing examination scheduled by the board following completion of a course of study and training and the attaining of age qualification for examination, or thereafter with the approval of the board in the case of each individual pending results of subsequent examinations; nor shall any of said terms be construed to include nursing performed for a period not exceeding 12 months unless the board shall approve a longer period, in hospitals, institutions or agencies by a nurse legally qualified under the laws of another state or country, pending results of an application for licensing under this act, if such nurse does not represent or hold himself or herself out as a nurse licensed to practice under this act; nor shall any of said terms be construed to include the practice of nursing in this State by any legally qualified nurse of another state whose engagement made outside of this State requires such nurse to accompany and care for the patient while in this State during the period of such engagement, not to exceed six months in this State, if such nurse does not represent or hold himself or herself out as a nurse licensed to practice in this State; nor shall any of said terms be construed to include nursing performed by employees or officers of the United States Government or any agency or service thereof

Board of Nursing Laws

while in the discharge of his or her official duties; nor shall any of said terms be construed to include services performed by nurses aides, attendants, orderlies and ward helpers in hospitals, institutions and agencies or by technicians, physiotherapists, or medical secretaries, and such duties performed by said persons aforementioned shall not be subject to rules or regulations which the board may prescribe concerning nursing; nor shall any of said terms be construed to include first aid nursing assistance, or gratuitous care by friends or members of the family of a sick or infirm person, or incidental care of the sick by a person employed primarily as a domestic or housekeeper, notwithstanding that the occasion for such employment may be sickness, if such incidental care does not constitute professional nursing and such person does not claim or purport to be a licensed nurse; nor shall any of said terms be construed to include services rendered in accordance with the practice of the religious tenets of any well-recognized church or denomination which subscribes to the art of healing by prayer. A person who is otherwise qualified shall not be denied licensure as a professional nurse or practical nurse by reason of the circumstances that such person is in religious life and has taken a vow of poverty.

c. "Homemaker-home health aide" means a person who is employed by a home care services agency and who is performing delegated nursing regimens or nursing tasks delegated through the authority of a duly licensed registered professional nurse. d. "Advanced practice nurse" means a person who holds a certification in accordance with section 8 or 9 of P.L.1991, c.377 (C.45:11-47 or 45:11-48).

The record shall show also whether the applicant was examined, licensed or rejected under this and any prior act. Copies of any of the entries of the record or of any certificate issued by the board may be authenticated by any member of the board under its seal and when so authenticated shall be evidence in all courts of this State of the same weight and force as the original thereof. For authenticating a copy of any entry or entries contained in its record the board shall be paid a fee of \$3.00, but such authentication, if made at the request of any public agency of this or any other jurisdiction, may be without fee. (11) In its discretion it may publish at such times as it shall determine a list of nurses licensed under this act, a list of schools of nursing accredited or approved under this act, and such other information as it shall deem advisable. (23) It shall prescribe standards and requirements for a competency evaluation program resulting in certification of the homemaker-home health aide, and the renewal, revocation, and suspension of that certification. (24) It shall review applications for homemaker home-health aide certification and shall issue, suspend, revoke, or fail to renew certifications and conduct investigations pursuant to the provisions of P.L.1978, c.73 (C.45:1-14 et seq.). (26) It shall prescribe standards and requirements for unlicensed assistive personnel, including initial education and continuing education and a competency evaluation program, which these personnel shall satisfy in order to work in this State. As used in this paragraph and in paragraph (25) of this subsection, "unlicensed assistive personnel" means any unlicensed or uncertified personnel employed by a licensed health care facility that perform nursing tasks which do not require the skill or judgment of a registered professional nurse and which are assigned to them by, and carried out under the supervision of, a registered professional nurse. (27) It may require licensees to meet continuing education requirements as a condition of relicensure.

e. Compensation. Each member of the board shall receive \$15.00 per day for each day in which such member is actually engaged in the discharge of duties and traveling and other expenses necessarily incurred in the discharge of duties.

L.1990,c.125,s.1.

45:11-24.3 Background checks for homemaker-home health aide certification applicant.

7. a. The New Jersey Board of Nursing in the Division of Consumer Affairs in the Department of Law and Public Safety shall not issue a homemaker-home health aide certification to any applicant, except on a conditional basis as provided for in subsection d. of section 8 of P.L.1997, c.100 (C.45:11-24.4), unless the board first determines, consistent with the requirements of sections 7 through 13 of P.L.1997, c.100 (C.45:11-24.3 through 24.9), that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or in the State Bureau of Identification in the Division of State Police, which would disqualify that person from being certified. A homemaker-home health aide certified by the board prior to the effective date of P.L.2000, c.20 and upon whom a criminal history record background check has not been conducted pursuant to sections 7 through 13 of P.L.1997, c.100 (C.45:11-24.3 through 24.9), shall be required to undergo that criminal history record background check as a condition of that individual's initial recertification following the effective date of P.L.2000, c.20.

In addition, a follow-up criminal history record background check of federal records shall be conducted at least once every two years as a condition of recertification for every certified homemaker-home health aide; except that the board, in lieu of conducting follow-up criminal history record background checks for purposes of recertification, may provide for an alternative means of determining whether a certified homemaker-home health aide has been convicted of a crime or disorderly persons offense which would disqualify that person from certification, including, but not limited to, a match of a person's Social Security number or other identifying information with records of criminal proceedings in this and other states. If the board elects to implement this alternative means of determining whether a certified homemaker-home health aide has been convicted of a crime or disorderly persons offense which would disqualify that person from certification, the board shall report to the Governor and the Legislature prior to its implementation on the projected costs and procedures to be followed with respect to its implementation and setting forth the rationale therefor.

A person shall be disqualified from certification if that person's criminal history record background check reveals a record of conviction of any of the following crimes and offenses:

- (1) In New Jersey, any crime or disorderly persons offense:

Board of Nursing Laws

(a) involving danger to the person, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:11-1 et seq., N.J.S.2C:12-1 et seq., N.J.S.2C:13-1 et seq., N.J.S.2C:14-1 et seq. or N.J.S.2C:15-1 et seq.; or

(b) against the family, children or incompetents, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:24-1 et seq.; or

(c) involving theft as set forth in chapter 20 of Title 2C of the New Jersey Statutes; or

(d) involving any controlled dangerous substance or controlled substance analog as set forth in chapter 35 of Title 2C of the New Jersey Statutes except paragraph (4) of subsection a. of N.J.S.2C:35-10.

(2) In any other state or jurisdiction, of conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in paragraph (1) of this subsection.

b. Notwithstanding the provisions of subsection a. of this section, no person shall be disqualified from certification on the basis of any conviction disclosed by a criminal history record background check performed pursuant to sections 7 through 13 and section 14 of P.L.1997, c.100 (C.45:11-24.3 through 24.9 and C.53:1-20.9a) if the person has affirmatively demonstrated to the New Jersey Board of Nursing in the Division of Consumer Affairs clear and convincing evidence of the person's rehabilitation. In determining whether a person has affirmatively demonstrated rehabilitation, the following factors shall be considered:

(1) the nature and responsibility of the position which the convicted person would hold, has held or currently holds, as the case may be;

(2) the nature and seriousness of the offense;

(3) the circumstances under which the offense occurred;

(4) the date of the offense;

(5) the age of the person when the offense was committed;

(6) whether the offense was an isolated or repeated incident;

(7) any social conditions which may have contributed to the offense; and

(8) any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of those who have had the person under their

Board of Nursing Laws

supervision.

c. If a person subject to the provisions of sections 7 through 13 of P.L.1997, c.100 (C.45:11-24.3 through 24.9) refuses to consent to, or cooperate in, the securing of a criminal history record background check, the New Jersey Board of Nursing shall, as applicable:

(1) not issue a homemaker-home health aide certification and shall notify the applicant, and the applicant's employer if the applicant is conditionally employed as provided in subsection d. of section 8 of P.L.1997, c.100 (C.45:11-24.4) or the applicant's prospective employer if known, of that denial; or

(2) revoke the person's current homemaker-home health aide certification and notify the person, and the person's employer, if known, of that revocation.

L.1997,c.100,s.7; amended 1997, c.284, s.6; 2000, c.20, s.5.

45:11-24.4 Qualification, disqualification for certification; petition for hearing.

8. a. An applicant for homemaker-home health aide certification, or a certified person who is required to undergo a criminal history record background check pursuant to section 7 of P.L.1997, c.100 (C.45:11-24.3), shall submit to the New Jersey Board of Nursing that individual's name, address and fingerprints taken on standard fingerprint cards by a State or municipal law enforcement agency. The board is authorized to exchange fingerprint data with and receive criminal history record information from the Federal Bureau of Investigation and the Division of State Police for use in making the determinations required by sections 7 through 13 of P.L.1997, c.100 (C.45:11-24.3 through 24.9).

b. Upon receipt of the criminal history record information for a person from the Federal Bureau of Investigation or the Division of State Police, the New Jersey Board of Nursing shall immediately notify, in writing, the applicant, and the applicant's employer if the applicant is conditionally employed as provided in subsection d. of this section or the applicant's prospective employer, if known, or the certified person who is required to undergo a criminal history record background check pursuant to section 7 of P.L.1997, c.100 (C.45:11-24.3) and that person's employer, as applicable, of the person's qualification or disqualification for homemaker-home health aide certification under sections 7 through 13 of P.L.1997, c.100 (C.45:11-24.3 through 24.9). If the person is disqualified, the conviction or convictions which constitute the basis for the disqualification shall be identified in the notice to the person, but shall not be identified in the notice to the person's employer or prospective employer.

c. The person who is the subject of the background check shall have 30 days from the date of the written notice of disqualification to petition the New Jersey Board of Nursing for a hearing on the accuracy of the person's criminal history record information or to establish the person's rehabilitation under subsection b. of section 7 of P.L.1997, c.100 (C.45:11-24.3). The board shall notify the person's employer or prospective

Board of Nursing Laws

employer of the person's petition for a hearing within five days following the receipt of the petition from the person. Upon the issuance of a final decision upon a petition to the board pursuant to this subsection, the board shall notify the person and the person's employer or prospective employer as to whether the person remains disqualified from certification under sections 7 through 13 of P.L.1997, c.100 (C.45:11-24.3 through 24.9).

d. An applicant for certification may be issued conditional certification and may be employed as a homemaker-home health aide conditionally for a period not to exceed 60 days, pending completion of a criminal history record background check required under sections 7 through 13 of P.L.1997, c.100 (C.45:11-24.3 through 24.9) by the Division of State Police in the Department of Law and Public Safety based upon an examination of its own files in accordance with section 14 of P.L.1997, c.100 (C.53:1-20.9a), and for an additional period not to exceed 60 days pending completion of a criminal history record background check by federal authorities as arranged for by the Division of State Police pursuant to section 14 of P.L.1997, c.100 (C.53:1-20.9a), if the person submits to the New Jersey Board of Nursing a sworn statement attesting that the person has not been convicted of any crime or disorderly persons offense as described in section 7 of P.L.1997, c.100 (C.45:11-24.3). A person who submits a false sworn statement shall be disqualified from certification as a homemaker-home health aide and shall not have an opportunity to establish rehabilitation pursuant to subsection b. of section 7 of P.L.1997, c.100 (C.45:11-24.3).

A conditionally employed person, or an employed person certified as a homemaker-home health aide, who disputes the accuracy of the criminal history record information and who files a petition requesting a hearing pursuant to subsection c. of this section may remain employed by that person's employer until the board rules on the person's petition but, pending the board's ruling, the employer shall not permit the person to have unsupervised contact with patients or clients who are 60 years of age or older.

e. (1) A home care services agency that has received an application from or conditionally employed an applicant for homemaker-home health aide certification, or has employed a certified homemaker-home health aide, and

(a) receives notice from the board that the applicant or certified homemaker-home health aide, as applicable, has been determined by the board to be disqualified from certification as a homemaker-home health aide pursuant to sections 7 through 13 of P.L.1997, c.100 (C.45:11-24.3 through 24.9); or

(b) terminates its employment of a conditionally employed applicant for homemaker-home health aide certification or a certified homemaker-home health aide because the person was disqualified from employment at the home care services agency on the basis of a conviction of a crime or disorderly persons offense as described in section 7 of P.L.1997, c.100 (C.45:11-24.3) after commencing employment at the home care services agency;

shall be immune from liability for disclosing that disqualification or termination in good

faith to another home care services agency.

(2) A home care services agency which discloses information pursuant to paragraph (1) of this subsection shall be presumed to be acting in good faith unless it is shown by clear and convincing evidence that the home care services agency acted with actual malice toward the person who is the subject of the information.

f. (1) A home care services agency, upon receiving notice from the board that a person employed by it as a homemaker-home health aide, including a conditionally employed person, has been convicted of a crime or disorderly persons offense as described in section 7 of P.L.1997, c.100 (C.45:11-24.3) after commencing employment at the home health care agency or other entity, shall:

(a) immediately terminate the person's employment as a homemaker-home health aide; and (b) report information about the conviction and termination to the board in a manner prescribed by the board, which shall thereupon deem the person to be disqualified from certification as a homemaker-home health aide, subject to the provisions of paragraph (3) of this subsection.

(2) A home care services agency shall be immune from liability for any actions taken in good faith pursuant to paragraph (1) of this subsection and shall be presumed to be acting in good faith unless it is shown by clear and convincing evidence that the home care services agency acted with actual malice toward the employee.

(3) The person terminated from employment pursuant to paragraph (1) of this subsection shall have 30 days from the date of the termination to petition the board for a hearing on the accuracy of the information about the conviction reported to the board or to establish why the person should not be terminated from employment, and disqualified from certification, as a homemaker-home health aide. The board shall notify the person's employer of the person's petition for a hearing within five days following the receipt of the petition from the person. Upon the issuance of a final decision upon a petition to the board pursuant to this paragraph, the board shall notify the person and the person's employer as to whether:

(a) the person is to be reinstated in his employment as a homemaker-home health aide and retain his certification; or

(b) the person's termination from employment as a homemaker-home health aide stands and the person remains disqualified from certification.
